1. Make sure you have the latest version of the EUSD app by either deleting the current app on your phone and reinstalling it from the app store or by finding the EUSD app in the app store and clicking 'Update'.
2. Once you have the latest version of the EUSD app installed, open it and click the blue menu icon in the top left corner > then click the gear icon in the top right corner > then click Notification preferences. You can also set your language preference here.
3. Set your time zone to Pacific and then click 'Messages' and turn on and then click 'Announcements' and turn on.

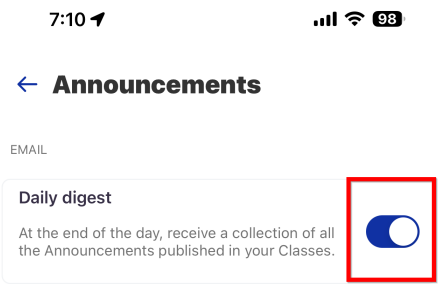

4. Email notifications for Messages are now turned ON:

5. Email notifications for Announcements are now turned ON:
